

PTS-Thermoflex 60A3.4HS*9300 Black

Regulation EC 1907/2006 as amended: REACH, Substances of Very High Concern (SVHC)

The above compound was not formulated to contain any of the substances listed on the Candidate List of Substances of Very High Concern (SVHC) under REACH above 0.1%, as per the most recent date of revision. In addition, no SVHCs were intentionally added during the manufacture of this compound.

Current Number of SVHCs: 240

Most Recent Date of Revision: 23rd January 2024

RoHS - Directive 2011/65/EC as amended by Directive 2015/863

The RoHS Directive restricts the use of cadmium, hexavalent chromium, lead, mercury, polybrominated biphenyls (PBB), polybrominated diphenyl ethers (PBDE), Bis(2-ethylhexyl) phthalate (DEHP), Butyl benzyl phthalate (BBP), Dibutyl phthalate (DBP), or Diisobutyl phthalate (DIBP) and limits the levels of all substances, except Cadmium, to 0.1%. Cadmium has been restricted to 0.01%. As formulated, this compound complies with the EU RoHS Directive (2011/65/EU) (RoHS 2, as amended by 2015/863) and does not contain any restricted materials above threshold levels. In addition, no substances restricted under RoHS were intentionally added during the manufacture of this compound above threshold levels.

This declaration is based on formulation and supplier information, not based on testing. It does not exclude the presence of traces due to impurities or residuals in the components supplied by third parties and used in our production facilities. This statement applies to the compound noted only and does not extend to any substances that may be added to this compound by third parties.
