

AKKAR TOOL

Manufacturer Number: 401861005

AKKAR Tool, in cooperation with AKKAR Ring is the fundamental solution for INSU-PLUG system.

AKKAR Tool helps to efficiently instal the INSU-PLUG soft tube with the electrical wires into different walls by the special flexible octopus-shape arms. The targeted hole size is 18mm.

AKKAR Ring avoids possible damages to the soft tube and enables the installation process in a extremely quick and smooth way.
