ROUGHLIGHT 700

ART. NO. 38446

RoughLight 700 is a super robust and durable 700-lumens headlamp for professionals. The design is dust-tight and fully waterproof according to IP68. The clever Mag-Snap system lets you detach the lamp easily from the headband and snap it into the included helmet mount or on a metal surface. RoughLight 700 features white light, as well as red and orange LED for close-range work in dark conditions.
