

# BATTERY HOLDER 2.0 / 3.5

ART. NO. 38077

RRP 0000,-

NEW

## HEADLAMP BATTERY HOLDER KEEPS THE BATTERY IN PLACE

The headlamp battery holder keeps the battery in place and improves the comfort when you want to carry the battery on your head. You attach the battery holder to the headband and then easily slide in the battery.

This Headlamp battery holder is compatible with the Silva 2.0 Ah headlamp battery (38009) and the Silva 3.5 Ah headlamp battery (37997).

## FEATURES

- Robust construction for steady and safe attachment
- Simple and flexible to use
