

Declaration of Conformity RoHS Directive

The part(s)/product(s) in this declaration, except for when marked separately for each product in annex to this document, do not contain any of the ten substances and substance groups above the maximum concentration values, at the homogeneous material level, identified in Annex II of the RoHS Directive (2011/65/EU) and its amendment (EU) 2015/863, unless using an exemption as those listed in Annex III and IV, which can be viewed here: www.environment.ec.europa.eu

The information in this document is based on reasonable inquiry and current information received from product manufacturing plants and the suppliers of the raw materials used in the above-mentioned products. The certification is true, accurate and complete to the best of our knowledge with the information gathered to date.
