HellermannTyton

FDA Compliance of HellermannTyton Limited's
Metal and X-Ray Detectable PA66 Nylon Products

I. HellermannTyton Limited manufactures cable management products made of metal detectable and X-Ray detectable nylon compounds (the "Products"). These Products are intended for use in the proximity of food processing, handling, and packaging operations. In addition, these Products are used for cable management on food processing and packaging equipment, and inside electrical control panels found in food processing and packaging operations.

II. Subject to the provisions of clause III below, HellermannTyton Limited declares that upon manufacture these Products comply with the following composition, additives and properties standards required by the United States Food & Drug Administration ("FDA") as specified under Title 21 of The Code of Federal Regulations (Ch1 Edition 4-1-99, the "CFR") and may be used in indirect food contact applications:

Section 184 CFR — Direct Food Substances Affirmed as Generally Recognized as Safe (GRAS)
Subsection 177-1500(b)(1) CFR — Indirect Food Additives — Nylon Resins
Subsection 177.1520 CFR — Indirect Food Additives — Olefin Polymers
Subsection 178.3297 CFR — Indirect Food Additives — Colorants for Polymers
Subsection 178-2010 CFR — Indirect Food Additives — Antioxidants and/or stabilisers for polymers
Subsection 170.39 CFR — Threshold of Regulation for Substances Used in Food-Contact Articles
The following restriction has to be observed for PA66 products:
The product must not be used in contact with alcoholic beverages (Food Types VI-A and VI-C according to 21 CFR § 176.170(c), Table 1).

III. This statement of compliance applies to Products supplied in original form as manufactured by HellermannTyton Limited i.e. without any subsequent modification. Since conditions of use/application of Products are outside HellermannTyton Limited's control, HellermannTyton Limited gives no guarantees, warranties (express or implied) and assumes no liability whatsoever for any loss, damage or expense arising from or in connection with the use of this information.

For an understanding of the U.S. FDA 21 CFR regulations, please go to the FDA's website at: http://www.cfsan.fda.gov
