Impressivo Black Matt

Equal electrification for flush and surface mounting

The modern design and unique soft touch surface material of Impressivo Black Matt are now available for both surface and flush mounting.

Create luxurious atmosphere, play with or fade your building project with black matte colour (RAL 9005). Combine the best installability on the market with uncompromising elegance in both new construction and renovation projects.

Product range

The series is suitable for both flush and surface mounting in common dry and wet environments. Cover frames are available in 1–5 pieces (85 mm and 100 mm), and they can be mounted either vertically or horizontally.

Surface material

Pleasant to touch with a wear-resistant surface. Surface material: shockproof, unbreakable and UV-resistant thermoplastic. Contains no PVC or halogen compounds.

Clean and sleek design

Can be freely combined with Impressivo, steel, accent and carat designs.
