WINSTA® IDC solutions for your electrical installation – maintenance-free

The **WINSTA®** Pluggable Connection System is perfectly tailored to the very strict requirements of building installation. It makes electrical installation pluggable, and thus more efficient, even more reliable, and error-free. Use of this pre-assembled system reduces time spent on assembly and installation errors at the construction site. Now you can also reduce installation costs without compromising quality and safety. The **WINSTA® IDC** accessory eliminates the need for servicing and prevents unnecessary downtime.

- saves time, since no wiring is required at the construction site
- rapid, structured electrical installation
