General details:

product designation		internal division type 3 for copper connection for Sentron 3WL to cable connection system
Operating current / of the installable switching device / rated value		
• maximum	A	3,200
Acceptability for application		
• for switching device		3WL, size I and size II
Suitability for installation		
• switchgear with main busbar		No
Number of poles		
• 1		3
• 2		4

Mechanical design:

Width	mm	600
Depth	mm	600
Type of mounting		fixed mounting / drawer unit
